	Social Evaluation for Initial Level of Care Eligibility Determination for HCBS Waiver Enrollment, October 10, 2014	42 CFR §§ 441.301 – 303; 42 CFR §§ 483. NYCRR §§ 633.10, 635-10.3 and 671.4	MHL §§ 1.03, 13.07, 13.09(b), 43.02	Six (6) years pursuant to 18 NYCRR 504.3(a)

Purpose:

Individuals with an intellectual and/or developmental disability (I/DD), and/or their representative, who are seeking to access the Home and Community Based Services (HCBS) Waiver, Comprehensive Care Coordination and/or other State Plan Services, must submit the form: Intermediate Care Facilities for Individuals with Intellectual Disabilities (ICF/IID) Level of Care Eligibility Determination (LCED). The purpose of this memorandum is to provide guidance and clarification as to the required elements of a Social Evaluation for purposes of completing the Initial LCED and to identify who is qualified to perform such an evaluation.

Elements of Social Evaluation:

In order to be considered a Social Evaluation for purposes of completing the Initial LCED, the following minimum elements must be present in the evaluation:

Overview

Family History/Background

Individual Assessment

I. Affective Development

Interests/Personal Goals

Values

Emotional Expression

Behavioral Concerns (Describe, including behavioral frequency)

Medical Conditions (Describe, including frequency of need for treatment and/or services to address these needs)

Motivation Level/Ability to Self-Direct

Ability to Empathize

Other:

Strengths

Needs

Recommendations

II. Speech and Language Development

Listening Skills

Communication Skills

Other:

Strengths
Needs
Recommendations

III. Social Development

Interpersonal Skills
Guardianship and Advocate Information
Cultural and Ethnic Background
Family Relationships
Other:

Strengths
Needs
Recommendations

A properly written care plan, such as an Individualized Service Plan (ISP) or Life Plan, may qualify as a Social Evaluation if it contains all the required elements of such an evaluation and contains all information necessary to complete the corresponding sections of the initial LCED form.

Qualifications to Perform Social Evaluation:

Staff who meet the qualifications to be an I/DD Health Home (HH) Care Manager would meet the qualifying educational and experiential requirements to complete the Social Evaluation. Other professionals such as a Qualified Intellectual Disability Professional (QIDP), Social Worker (LMSW or LCSW), Psychologist, or a person with a Masters' Degree in Psychology are also qualified to perform the Social Evaluation if they are familiar the person's family history/background, affective development, speech and language development and social development.

Further information and instructions for completing the Initial Level of Care Eligibility Determination may be found on OPWDD's website at the following link:
